THE SOLUTION FOR OUT OF REACH WINDOWS

## **The Problem:**

*Hard to reach windows behind desks, tables, and office equipment made it very difficult for officers and staff at the Ohio State Highway Patrol to control the light in their dispatch office.*

*Complaints of difficulty reading computer screens, eyestrain, and reflected glare made doing their jobs more challenging.*

## **The Solution:**

*Motorized blackout WebbShades Provide the Easy-to-Install Solution.*

*Operate Multiple Shades with One Remote*

*5 Year Warranty on Motor*

*Privacy Tracks Eliminate Light Leaks*

*Wide Choice of Fabrics or Solar Screens*
